Elaine -

Thank you so much for coordinating the tour!

See below from (b) (6) ...

Thanks again!!!

—

I simply cannot tell you how great today was...

Elaine put us together with Karen Schmitt from Congressman Bridenstine's office who took us on a private tour which included the floor of the House! She was so great and took us to places I've never expected to see and had all kinds of wonderful stories and information!

[EXTERNAL] National Mall Private Tour for Outdo....pdf

Subject: [EXTERNAL] National Mall Private Tour for Outdoor Company Execs
Date: Monday, April 02, 2018 2:57:18 PM

Hi Elaine- hope you are well. It is good to see you when I'm at DOI these days and awesome you get to work closely with Rick. I mentioned last I saw you that we have about 100 CEOs in town for our annual flyin the week of April 16. A few of them will be in town that Monday and Thursday for our board meetings and I was hoping to set up something special for them and their families. It could be as small or as big of a group as you think works. I have done the ranger-guided national mall tour before and it really is awesome. Would you be able to help us set that up for Monday April 16 in the afternoon or Thursday April 19 in the morning? I'm happy to get you any additional details you would need, and I know these folks will really appreciate anything you can accommodate.

Thanks so much and I hope you can come to our hill events and receptions that week!

Good Morning Elaine,

Wanted to confirm you're alright with me reaching out to Rep. Stivers' office with you cc'd about this opportunity. I spoke with Kyle Earnest yesterday and he is also on board.

Thanks for letting me know at your convenience!

Fantastic! Thanks so much, Susan, and great speaking with you just now.

To confirm for the full group, we have sign-off from Supt. Harris to extend the opportunity to Rep. Stivers' staff for the Congressman's participation in the field trip on 5/11 with Washington Elementary (Circleville, OH) from 10:00 am - 1:30pm. The region has also been notified of this possibility.

We will **not** share the 5/3 trip as this date does not work for Supt. Harris and other staff at the park. Kyle and Elaine, please let me know if you have any concerns with me following up with Rep. Stivers' office about the 5/11 opportunity with you both cc'd. I'll be happy to reach out once I've heard from you both, and will keep the full group apprised on what we hear back.

Thank you all for your support and coordination!

Hi Susan,

Thanks so much for sending these dates along - looks like you've got a lot of great trips on tap for this May! In reviewing the calendar and participating schools, I'd be interested in extending the May 3rd and May 11th field trips to Rep. Stivers' office - both fall during House recess, and Buckskin Elementary and Washington Elementary also fall within Rep. Stivers' district.

I've looped in Elaine Hackett and Kyle Earnest from NPS' Office of Legislative and Congressional Affairs for their awareness but want to ensure you have the opportunity to run the possibility of Rep. Stivers' participation on either date with the Superintendent and the Midwest Region. Would it be possible for you to run this through those channels?

I'll hold off on reaching out to Rep. Stivers' office about these opportunities until we've gotten the all-clear from the Supt. and Region - please feel free to call me to discuss and thank you again!

Hi Susan and team,

Wanted to pass along an update that I had a great conversation with Nick Bush in Congressman Stivers' office this afternoon. The Congressman is very eager to get out to Hopewell Culture NHP to see an EKIP trip in action, however, he won't be able to make any of the upcoming October trips due to scheduling constraints.

Nick did say they would make this a top priority for Rep. Stivers' spring calendar and I've advised him that I will follow up with opportunities for the spring as those trips are scheduled. They would indeed want him to participate in a trip with a school that falls in his district which seems very possible based on the schools the park is already working with.

Susan, I'll plan to check in with you in a few months for an update on the spring calendar, and thank you for sharing any updates on your end as they are available.

Thanks again to everyone for your support of this opportunity - please stay tuned!

Hi Susan,

Hope you're doing well. We've been in touch previously, but as a reminder, my name is Julie Seger and I'm reaching out from the National Park Foundation. Thanks again for all your help last spring regarding Sen. Rob Portman's possible participation in an NPF-funded EKIP field trip at Hopewell Culture NHP. While unfortunately that visit didn't pan out, I'm pleased to share that we've heard back from staff for Congressman Steve Stivers who are very interested in getting the Congressman out to the park to see the program in action during this school year.

My understanding is trips are being organized for this fall and next spring, but I was hoping you might be able to provide more specific dates and the various schools involved, if any have been scheduled. I'll also be happy to loop in colleagues from NPS' Office of Legislative and Congressional Affairs for their support in coordinating any potential visit, but I figured I'd reach out for a general update from you and take it from there.

Please feel free to give me a call to discuss and thanks again for all your help!

Fantastic! Thanks so much, Susan, and great speaking with you just now.

To confirm for the full group, we have sign-off from Supt. Harris to extend the opportunity to Rep. Stivers' staff for the Congressman's participation in the field trip on 5/11 with Washington Elementary (Circleville, OH) from 10:00 am - 1:30pm. The region has also been notified of this possibility.

Kyle and Elaine, please let me know if you have any concerns with me following up with Rep. Stivers' office about the 5/11 opportunity with you both cc'd. I'll be happy to reach out once I've heard from you both, and will keep the full group apprised on what we hear back.

Hi Susan,

Hope you're doing well. We've been in touch previously, but as a reminder, my name is Julie Seger and I'm reaching out from the National Park Foundation. Thanks again for all your help last spring regarding Sen. Rob Portman's possible participation in an NPF-funded EKIP field trip at Hopewell Culture NHP. While unfortunately that visit didn't pan out, I'm pleased to share that we've heard back from staff for Congressman Steve Stivers who are very interested in getting the Congressman out to the park to see the program in action during this school year.

My understanding is trips are being organized for this fall and next spring, but I was hoping you might be able to provide more specific dates and the various schools involved, if any have been scheduled. I'll also be happy to loop in colleagues from NPS' Office of Legislative and Congressional Affairs for their support in coordinating any potential visit, but I figured I'd reach out for a general update from you and take it from there.

Please feel free to give me a call to discuss and thanks again for all your help!

Hey Nick,

Hope you're doing well! I wanted to circle back from our discussion a few months back about Rep. Stivers' participating in a field trip at Hopewell Culture National Historical Park. I'm pleased to share an upcoming opportunity on Friday, May 11, when Washington Elementary (Circleville) fourth graders will be visiting from 10:00am - 1:30pm. Students will travel to the park using NPF's transportation grant, and will participate in the following activities:

- **Park Orientation Film** -Students view the park's film, "Mysteries of the Ancient Architects," which provides a snapshot of the people of the Hopewell culture and explores the monumental earthworks they constructed during the middle woodland period.
- **Mound Tour** - A guided tour of the Mound City Group explains how the people of the Hopewell culture lived their lives and discusses the importance of cultural and natural resource stewardship.
- **Museum Tour** - A guided tour of the museum explores 2,000-year-old artifacts excavated from the Mound City Group and leads students through a hands-on activity on how to identify and understand the artwork of these American Indians.
- **Atlatl Demonstration** - Students learn about the hunting and gathering of the Hopewellian people and have an opportunity to learn how to throw spears using the ancient spear thrower, the atlatl.

Rep. Stivers would be welcome to participate in as much of the trip as his schedule permits. The park would also be delighted if a member of his district staff would like to attend on his behalf. I'm happy to answer any questions and have also cc'd Elaine Hackett in NPS' Office of Legislative and Congressional Affairs, as Elaine manages Congressional park visits. If Rep. Stivers or his staff are interested in joining, we'd be thrilled to coordinate additional details.

Feel free to give me a call to discuss and thanks for your consideration of this opportunity!

Karen,

Thanks for fielding this request. I am hosting a group from the Black Forest National Park in Germany the week of April 16-20. We are entering into a Sister Park Arrangement with them. I will be joined by the Director and Public Affairs Officer for Black Forest National Park, as well as the Consul General for the U.S. Consul in Frankfurt. There should just be the four of us.

My request is for some sort of guided tour of the Mall on Friday, April 20. We will be at Main Interior on April 19 for some meetings and a signing ceremony, then staying the night in DC. I don't have anything particular in mind, but I think the German delegation will be interested to learn more about the diversity of

national park sites and how NAMA fits into the overall agency identity and serves as America's backyard (or is it a front yard?).

We have all day Friday available, so time frames and locations are entirely flexible. Whatever works for you all will be great for us.

Thanks for considering this request. Just let me know if I can provide additional information or planning support.

Jessica,

I can get a van just for your group on April 16th. We can have them in the C Street lobby and the Ranger can take them to all the sites on the Mall - WWII; Vietnam and Korean War Memorials; Lincoln; FDR; MLK and Jefferson Memorial.

They can go for 3-4 hours or longer. What do you think? What time would they want to start - 9:30am?

13 would be great and would be the max we would have. I'm sure they would be fine walking or loading in a van (does NPS provide one or would we need to rent it?) These folks are pretty active so if walking is easier, we could definitely do that.

Let me know what other information you would need,

How many people do you think will want to tour the Mall sites? Our van only carries 13 people.

Would they consider a walking tour or will you have transportation for them? If so, I could have a ranger step on the bus and

Hey Nick,

Hope you're doing well! I wanted to circle back from our discussion a few months back about Rep. Stivers' participating in a field trip at Hopewell Culture National Historical Park. Students will travel to the park using NPF's transportation grant, and will participate in the following activities:

- **Park Orientation Film** - Students view the park's film, "Mysteries of the Ancient Architects," which provides a snapshot of the people of the Hopewell culture and explores the monumental earthworks they constructed during the middle woodland period.
- **Mound Tour** - A guided tour of the Mound City Group explains how the people of the Hopewell culture lived their lives and discusses the importance of cultural and natural resource stewardship.
- **Museum Tour** - A guided tour of the museum explores 2,000-year-old artifacts excavated from the Mound City Group and leads students through a hands-on activity on how to identify and understand the artwork of these American Indians.
- **Atlatl Demonstration** - Students learn about the hunting and gathering of the Hopewellian people and have an opportunity to learn how to throw spears using the ancient spear thrower, the atlatl.

Rep. Stivers would be welcome to participate in as much of the trip as his schedule permits. The park would also be delighted if a member of his district staff would like to attend on his behalf. I'm happy to answer any questions and have also cc'd Elaine Hackett in NPS' Office of Legislative and Congressional Affairs, as Elaine manages Congressional park visits. If Rep. Stivers or his staff are interested in joining, we'd be thrilled to coordinate additional details.

Feel free to give me a call to discuss and thanks for your consideration of this opportunity!

How many in the group?

Hi Susan,

I wanted to share an update that we've received indication from Rep. Stivers' office that it is unlikely he will be able to participate in the field trip on 5/11. They have not confirmed this 100% yet, but he does have a pre-existing commitment on that day. I'll be sure to let you know if anything changes.

I'd also love to try and offer another opportunity for him to participate if at all possible. Per the schedule you shared back in March, the rest of the scheduled trips are set for when the House is in session and the Congressman will be in DC. I wondered if there have been any changes/additions to the schedule since then?

Many thanks for any updates at your convenience, and thanks so much for all of your work thus far to coordinate. We really appreciate your willingness to accommodate these visits (despite their scheduling challenges) in addition to all the great work you do!

Fantastic! Thanks so much, Susan, and great speaking with you just now.

To confirm for the full group, we have sign-off from Supt. Harris to extend the opportunity to Rep. Stivers' staff for the Congressman's participation in the field trip on 5/11 with Washington Elementary (Circleville, OH) from 10:00 am - 1:30pm. The region has also been notified of this possibility.

We will **not** share the 5/3 trip as this date does not work for Supt. Harris and other staff at the park.

Kyle and Elaine, please let me know if you have any concerns with me following up with Rep. Stivers' office about the 5/11 opportunity with you both cc'd. I'll be happy to reach out once I've heard from you both, and will keep the full group apprised on what we hear back.

Hi Susan and team,

Wanted to pass along an update that I had a great conversation with Nick Bush in Congressman Stivers' office this afternoon. The Congressman is very eager to get out to Hopewell Culture NHP to see an EKIP trip in action, however, he won't be able to make any of the upcoming October trips due to scheduling constraints.

Nick did say they would make this a top priority for Rep. Stivers' spring calendar and I've advised him that I will follow up with opportunities for the spring as those trips are scheduled. They would indeed want him to participate in a trip with a school that falls in his district which seems very possible based on the schools the park is already working with.

Susan, I'll plan to check in with you in a few months for an update on the spring calendar, and thank you for sharing any updates on your end as they are available.

Thanks again to everyone for your support of this opportunity - please stay tuned!

the 9:45 AM tour would be a guided tour of the Rotunda and Public Vaults. They would be on the tour with a few others as well (15-20 guests per docent). Once they are in the building, they can stay as long as they would like to. They have the *Remembering Vietnam* exhibit and *Records of Rights* as well.

Amy,

So The National Archives responds directly to the constituent and gives them all the details about the tour - she may have already gotten something from them. That tour was for 9:45am. I also reserved tickets for them at Fords Theatre for 2pm.

Since our NPS van tours start at 8:45am, it will be difficult for her to do the Ranger led tour. Will she be here the following day and I can put her on the van tour with a Ranger? These other two sites are independent from our tours. Let me know.

Thanks

Hi Mike!

Thanks for returning my call earlier. Like I said, my boss is going to have some family in town from August 7<sup>th</sup> – 15<sup>th</sup>. I believe there will just be three family members in town – two adults and one 10-year-old boy. They specifically mentioned seeing the Washington Monument, which I believe is closed for the next year, correct? Besides that, I think just want to go around and look at the major monuments and memorials around the National Mall and Tidal Basin.

Any information and help you can provide would be greatly appreciated!

Thanks,

My name is Park Ranger with the National Mall and Memorial Parks. The Park received the following email from you...

*Hello, Several friends have recommend a guided tour of the monuments during our visit to DC this summer. When I searched for activities/events during our dates (7/3 - 7/7), the site said there were no events for those dates. We would love to schedule a Park Ranger tour on the 5th or 6th. What are the next steps (ie. through Congressman Yoder KS)? Please advise, thank you!* (b) (6)

As of now the Ranger staff has not posted the programs being offered during the month of July. July programs will be posted in mid June. You can look out for that. However, there is a tour offered through the office of the Secretary of Interior...M-F a ranger goes out with a van of up to 13 people, and a ranger takes the group to all of the Memorials. You would need to contact Elaine Hackett in the office of the Secretary of Interior to check on the availability. Below is the contact info for Elaine Hackett...

Ok so with us only being in Washington for such a short period of time and with the memorial being in the late afternoon our only time available to do the VIP tour would be first thing in the morning Wednesday, April 18th and then if there is a way to schedule the White House tour for **Thursday morning April 19th**. If it works out fantastic, but if you don't have time to mess with it I completely understand!!! Thanks so much for your help Shea!!!

Good Morning Elaine,

My boss is going with his family to Mt. Rushmore on July 3rd. He was wondering if there's a private tour or anything can be arranged for him? If there is they'd like to start as early as possible to get back on the road by noon or so.

I also wanted to say as a past former volunteer, THANK YOU for reaching out to office for the opportunities such as garden tours, Easter Egg Roll, etc. for junior staffers it's an unforgettable experience----heck I still love to volunteer when I can!

Best,

Molly

Good afternoon!

We wanted to be sure we send a response to this request this week, Cheryl has been very busy this week.

We would like to pass along that this is our busiest visitor day of the year, on July 3rd we have all of our activities occurring, will attach our draft itinerary for the day (the most current itinerary will be posted to our park web page closer to July 3rd). Since this is our busiest day of the year, all staff working on this day are here to support the day itself, we are unable to provide any sort of private tour on that day.

We would also like to pass along, there is a time change between here and Sioux Falls, we are in the Mountain Time zone, Sioux Falls is Central Time. This may impact the time they have figured needed to reach Sioux Falls in 5 and 1/2 hours (better to think of that travel taking closer to 6 hours).

Please pass to Representative Shimkus that we hope he and his family are able to visit on July 3, 2018, but we would be unable to provide any additional services on that day. We really hope they enjoy their visit to Mount Rushmore National Memorial!

Good afternoon!

We wanted to be sure we send a response to this request this week, Cheryl has been very busy this week.

We would like to pass along that this is our busiest visitor day of the year, on July 3rd we have all of our activities occurring, will attach our draft itinerary for the day (the most current itinerary will be posted to our park web page closer to July 3rd). Since this is our busiest day of the year, all staff working on this day are here to support the day itself, we are unable to provide any sort of private tour on that day.

We would also like to pass along, there is a time change between here and Sioux Falls, we are in the Mountain Time zone, Sioux Falls is Central Time. This may impact the time they have figured needed to reach Sioux Falls in 5 and 1/2 hours (better to think of that travel taking closer to 6 hours).

Please pass to Representative Shimkus that we hope he and his family are able to visit on July 3, 2018, but we would be unable to provide any additional services on that day. We really hope they enjoy their visit to Mount Rushmore National Memorial!

Good Morning Elaine,

My boss is going with his family to Mt. Rushmore on July 3rd. He was wondering if there's a private tour or anything can be arranged for him? If there is they'd like to start as early as possible to get back on the road by noon or so.

I also wanted to say as a past former volunteer, THANK YOU for reaching out to office for the opportunities such as garden tours, Easter Egg Roll, etc. for junior staffers it's an unforgettable experience----heck I still love to volunteer when I can!

Best,

Molly

Yes - we can modify this tour to your needs since I blocked July 9th and July 10th for your group. Once you know which day you want, let me know so I can release the other.

For a half day, you can go from 9am until 12pm or 12:30pm or 1pm until 4pm. Our full day tours are from 9am until 3:30pm or 4pm with an hours break. The Rangers usually take the groups to the golf course at Haines Point where they have a really neat place to order food and you can sit indoor or outside.

You will visit WWII; Vietnam and Korean War Memorials; Lincoln; FDR; MLK and Jefferson Memorial.

Thanks!

We've had a few changes in the schedule, so the tours may be on the 9<sup>th</sup> instead, but I'll be sure to let you know as soon as I'm able to finalize that (hopefully next week).

I do think we'll need a second van because the winners and their guests alone account for 10, plus Rob, myself, one or two more of my staff members, and the tour guide(s).

Kathy,

I am happy to arrange for you. Is this your family!

I will need names of everyone and since the 3 children are under 16, do you happen to know how old they are?

The tour is always set for 10am, but you will also be able to tour Liberty Island and Ellis Island.

Thanks and glad I can assist you!!

Good morning Elaine,

I hope you're doing well! If the offer still stands, I would love it if you could help me arrange a tour of the Statue of Liberty on Friday, July 27<sup>th</sup> – early in the morning maybe 10 am or so? Plus anything else fun that you think we would all enjoy.

6 people in total:

3 adults and 3 kids under 16 years old

Thanks in advance.

Kathy,

Here is a copy of the procedure that we follow: I think it's pretty cool - my daughter and her boyfriend and I are going to make our way back to NYC this summer to do!

Ticket holders will have access to the ferry, pedestal observation deck and crown of the Statue of Liberty as well as the National Museum of Immigration at Ellis Island.

**Procedure:** Guests will pick up their tickets at 10am at the Statue Cruises crown ticket holder window inside Castle Clinton at Battery Park, Manhattan. Guests will show ID in exchange for tickets and will be issued a wrist band by Statue Cruises staff identifying them as crown ticket holders. Guests then proceed to the ticket holder

queue to security screening and the next departing boats.

Upon Arrival at Liberty Island, guests will proceed to the monument entrance with their tickets. Only the following items are permitted inside the Statue of Liberty: one camera per person (no camera bags or cases); any necessary medication. The following common items must be secured in a locker: keys, writing instruments, purses, camera bags, camera cases, backpacks, shopping bags, any food and drinks and any item that may impede progress on the staircase. Children must be at least four feet tall to visit the crown.

A complimentary audio tour is offered on both Liberty and Ellis Island. All boats stop at Ellis Island before returning to NY. Boats depart every 20 minutes. Statue of Liberty National Monument and Ellis Island is open every day except December 25. In the event of closure due to weather or emergency conditions, tickets will be honored for the next available day. Guests should contact Elaine Hackett in the Office of the Secretary to re-book their visit.

Hi Kathy!

I hope you are doing well - I was at the game Saturday when our Mets played the Nats here in DC! It felt strange to be watching baseball in a parka and gloves!!

Just wanted you to know that The Crown is available for me to arrange on M-W-F. If you ever want to do a tour - please let me know!

I hope you come to DC during the All-Star week!

Take care and hope to see you soon!

For the park service tour, you don't need anything. Have you gotten a Capitol tour or WH?

Thank you! I will hold both days for you and once you confirm the date, I will release one day.

I'll request two vans for the tour but once you know more, we can discuss timing - do you want the full day tour 9am until 3:30pm or half a day?

Thanks,

Hi Elaine,

It's a pleasure to "e-meet" you! We really appreciate you being willing to provide the VIP tours.

We've had a few changes in the schedule, so the tours may be on the 9<sup>th</sup> instead, but I'll be sure to let you know as soon as I'm able to finalize that (hopefully next week).

I do think we'll need a second van because the winners and their guests alone account for 10, plus Rob, myself, one or two more of my staff members, and the tour guide(s).

Thank you very much for your continued support of SMOY over the years. I look forward to working with you!

The contact person for the group would be Officer Scott Earhardt. The total number would be 6 if there is room next Thursday or Friday (6/21 or 6/22). If not on those days, I would guess that it would be 5 since Officer Earhardt would not be able to attend.

Scott's wife's family is up (b) (6) and he is trying to make this visit truly special for them.

I would totally understand if there is nothing available but Dennis Hubscher indicated that there is no harm in asking. I would love for him to do the tour if that is possible - he is one of our BEST interpreters!

As of now the Ranger staff has not posted the programs being offered during the month of July. July programs will be posted in mid June. You can look out for that. However, there is a tour offered through the office of the Secretary of Interior...M-F a ranger goes out with a van of up to 13 people, and a ranger takes the group to all of the Memorials. You would need to contact Elaine Hackett in the office of the Secretary of Interior to check on the availability. Below is the contact info for Elaine Hackett...

Hi Elaine,

As you can see, we have a call scheduled with the Library of Congress on Monday at 2:30pm to discuss Mr. Mandela's additional availability beyond his lecture with the Librarian of Congress, Dr. Hayden, on June 27th. We are hoping you might be able to give us an idea about the potential speech by Mr. Mandela in discussion at the African American Museum to commemorate Nelson Mandela's Centennial, before we speak to Bryonna on Monday, so we know more about how to allocate Mr. Mandela's schedule.

I also wanted to provide you with some additional information about Mr. Mandela, as well a link to a recent interview he did in Canada where it was discussed how bookmakers have dubbed him the next Madiba:

[https://www.youtube.com/watch?v=pYEns\\_UdIQM](https://www.youtube.com/watch?v=pYEns_UdIQM).

Ndaba moved in with his grandfather in 1993, at age 11 (when Nelson sent Ndaba's parents off to University), shortly before Nelson Mandela became president, and he lived with Nelson continuously (other than when he went to University) until his death in 2013. Ndaba took the last known photo of Nelson Mandela at their home with Ndaba's son sitting on Nelson's lap. See <http://www.dailymail.co.uk/news/article-2520016/WORLD-PICTURE-EXCLUSIVE-The-final-portrait-At-home-Johannesburg-hand-hand-great-grandson--picture-Nelson-Mandela-revealed-boys-father.html>.

When Ndaba moved in with his grandfather in 1993, he was the only child staying with Nelson Mandela under his roof for the first year, which also encompassed part of the first year of Mandela's presidency. Nelson raised Ndaba as his own son, and groomed him to be the future leader of the country. Ndaba's mother passed away of HIV in 2003 and his father (Nelson Mandela's only surviving son) passed away of HIV in 2005.

Ndaba is Nelson Mandela's second eldest grandson. He became the patriarch of the Mandela family, and next in line of the Mandela's to be President of the African National Congress, when his outspoken older half brother Mandla, was disowned by Nelson and the rest of the family shortly before Mandela's death, and the grandson designated by Nelson Mandela to deliver the eulogy at his funeral was changed to Ndaba. <https://www.cbsnews.com/video/nelson-mandelas-obituary-read-by-his-grandson/>. Ndaba has no communication or affiliation with his half brother.

Finally, any speech to commemorate Nelson Mandela's centennial that is delivered in coordination with the White House and its invite list, the White House will receive a copy of the speech beforehand.

I have copied my colleague, Alexandra McNair.

Thanks,

It would be helpful to know:

I am on the

1. What if any availability does Mr. Mandela have for phone interviews with D.C. media the day before the scheduled event (June 26)
2. What time is he arriving in D.C.? Anytime for local TV morning show?
3. Does he have any interest in baseball? We have a major baseball exhibition opening that week. The preview event is that same day. Might he be interested in a tour after the event concludes?
4. Thinking about issuing a media advisory next week

Those are my initial thoughts but I will send the communications plan shortly.

If you would like to schedule a chat to discuss logistics tomorrow, I am available. Just let me know what time works best.

Good morning!

Have you been able to determine which day you would like your tour - July 9th or 10th?

Thanks

Alicia,

Thank you! I will hold both days for you and once you confirm  
the date, I will release one day.

I'll request two vans for the tour but once you know more, we  
can discuss timing - do you want the full day tour 9am until  
3:30pm or half a day?

Thanks,  
Elaine

Hi Elaine,

It's a pleasure to "e-meet" you! We really appreciate you being  
willing to provide the VIP tours.

We've had a few changes in the schedule, so the tours may be  
on the 9<sup>th</sup> instead, but I'll be sure to let you know as soon as I'm  
able to finalize that (hopefully next week).

I do think we'll need a second van because the winners and  
their guests alone account for 10, plus Rob, myself, one or two  
more of my staff members, and the tour guide(s).

Thank you very much for your continued support of SMOY over  
the years. I look forward to working with you!

Kind regards,

I reserved the date of July 10th for your group. The van holds up to 13 people. Do you think you will need a second van?

Rob - I'm very proud of all you do and all that you will be doing moving forward!!

Hope all is well with you.

We don't conduct private tours during the season, as it disrupts the tour schedule and casts a negative light on the person requesting (the visitors can see what's going on and then begin asking questions). We had a similar request from Senator Bennet's staff in 2013, and declined it as well. What we did was include the senator's group on a regular tour, and that's what I'd recommend with Rep. Garamendi's group.

We can place them on the 9:30 am tour of Cliff Palace on July 4. Let me know if that works.

Hi Elaine,

That's amazing, thank you so much! After talking to the Congressman, would it be possible to place the group of 23 on the 9:30am tour of the Cliff Palace and on the 11:30am tour of the Balcony House for July 4<sup>th</sup>? A group of 10 is also interested in the 9am Long House tour for July 5<sup>th</sup> if that is possible. They are aware of the fees and happy to pay them. Please let us know if this would be possible, thank you so much!

Sincerely,

Jennifer

Jennifer,

The Superintendent just got back to me and said they do not do private tours however, they can place the group on the 9:30 am tour of Cliff Palace on July 4. Let me know if that works

Hi Elaine,

Would it be possible to arrange for a private tour of Mesa Verde National Park for former Deputy Secretary of the Interior John Garamendi and his family? They will be in Mesa Verde on July 4<sup>th</sup> with a large group of 23 so they're hoping we could arrange a private tour for them. I believe they will be arriving in Mesa Verde the evening of July 3<sup>rd</sup> so they will have the entirety of July 4<sup>th</sup> available and can be completely flexible to whatever can be arranged. Thanks in advance!

OK. I'll let our folks know to set aside the additional tickets. Not sure if they read the tour descriptions on our webpage. Each person should be able to climb ladders up to 30 feet in height, and, for Balcony House, crawl through a 2 foot diameter tunnel that is about 10 feet long.

Hi Elaine:

That sounds like a plan. I will have the tickets set aside. A representative of the Garamendi party can stop by the Visitor and Research Center (near the park entrance) to pay for and pick up the tickets. Total cost for all of the tours (at \$5 each) is \$280. The Visitor Center is open from 7:30 a.m. to 7 p.m.MDT each day. Advise them it's better to pick up the tickets before entering the park.

Let me know if there's anything else they need.

Hi Elaine,

That's amazing, thank you so much! After talking to the Congressman, would it be possible to place the group of 23 on the 9:30am tour of the Cliff Palace and on the 11:30am tour of the Balcony House for July 4<sup>th</sup>? A group of 10 is also interested in the 9am Long House tour for July 5<sup>th</sup> if that is possible. They are aware of the fees and happy to pay them. Please let us know if this would be possible, thank you so much!

Sincerely,

Jennifer,

The Superintendent just got back to me and said they do not do private tours however, they can place the group on the 9:30 am tour of Cliff Palace on July 4. Let me know if that works

Would it be possible to arrange for a private tour of Mesa Verde National Park for former Deputy Secretary of the Interior John Garamendi and his family? They will be in Mesa Verde on July 4<sup>th</sup> with a large group of 23 so they're hoping we could arrange a private tour for them. I believe they will be arriving in Mesa Verde the evening of July 3<sup>rd</sup> so they will have the entirety of July 4<sup>th</sup> available and can be completely flexible to whatever can be arranged. Thanks in advance!

I have spoken to Elaine Hackett in the Office of the Secretary of Interior. She is going to block the Secretary tour on August 2 for the Hartzog award winners. Myself and another Mall ranger will provide 2 vans (holding up to 26 people all together for a Mall tour that day.) We can take the 26 people to our Memorials...Vietnam, Korean, WWII, Lincoln, Jefferson, FDR, MLK Memorials. The other rangers and I could take them out between 9am or 10am and 2pm...

What hotel will the group be staying at?

Would something like this work for Aug 2? In talking to Elaine, I think that the Capital would be too hard to get in...

Dear Mr. Ollig,

I am working with Lenny Teh, Service-Wide Volunteer Program Manager, and the NPF on arranging logistics for this year's George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony. The ceremony will honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award. The ceremony will be held at the **Main Interior Building on August 2, 2018 from 4:00 – 6:00 PM**. The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

## Harry Yount National Park Ranger Award

The Harry Yount Award honors those rangers who consistently perform the traditional, generalist ranger duties of protecting parks' natural, historical, and cultural resources and serving park visitors – and who excel in the eyes of their peers. These rangers form the heart of the Ranger Corps, reflecting its high standards and commitment to the National Park Service mission. Their leadership and willingness to do the tough jobs well – with style, grace, appreciation, and humor – serves as a role model for all park rangers. Since 1994, the national Harry Yount Award has been presented to an individual nominated by his or her peers for demonstrating an “excellence in the art and science of rangership.” The recipient exemplifies the highest commitment to Harry Yount’s ideals “to see that game is protected from wanton slaughter, the forest from careless use of fire, and the enforcement of the other laws, rules, and regulations for the protection and improvement of the park.”

## The George and Helen Hartzog Awards for Outstanding Volunteer Service

George B. Hartzog, Jr. served as the Director of the National Park Service from 1964 to 1972 and created the Volunteers-In-Parks (VIP) program in 1970. In retirement, he and his wife, Helen, established a fund to support the program and honor the efforts of volunteers. This national awards program began in 2002 to recognize the time, talents, innovation, and hard work contributed to national parks through the VIP program. In 2017, nearly 316,000 volunteers donated more than 7.2 million hours of service assisting the National Park Service in its mission.

## The Wes Henry National Wilderness Stewardship Award

The Wes Henry National Wilderness Stewardship Award recognizes outstanding contributions to wilderness stewardship by an individual or group. Wes Henry dedicated his life to the preservation of wild lands. The former National Park Service Wilderness Program Manager was committed to finding innovative ways to educate others about the value of these special places and reflected an unwavering devotion to help connect people to their wilderness heritage.

together for a Mall tour that day.) We can take the 26 people to our Memorials...Vietnam, Korean, WWII, Lincoln, Jefferson, FDR, MLK Memorals. The other rangers and I could take them out between 9am or 10am and 2pm...

What hotel will the group be staying at?

Dear Mr. Ollig,

I am working with Lenny Teh, Service-Wide Volunteer Program Manager, and the NPF on arranging logistics for this year's George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony. The ceremony will honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award. The ceremony will be held at the **Main Interior Building on August**

**2, 2018 from 4:00 – 6:00 PM.** The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

There will only be 2 Wes Henry Award recipients in attendance as (Dan Pulver) will be out of country on Aug 2. Dan's supervisor, Louise Milkman, will accept the award on Dan's behalf. We would like to include the two recipients in attendance (Roger Robinson and Ashely Northcutt) in the tour.

I also copied Jennifer Hughes at NPS as she is handling hotel logistics. The schedule for the recipients includes the pick-up and drop-off time for the tour and then the award ceremony at 4pm. For the award ceremony, they will need to be escorted into the building due to MIB security and that will take time.

A mid-morning pick-up at 9:45am at the hotel with the tour starting around 10am is my recommendation.

I understand that the tour was for ALL the award recipients and they are staying at the same hotel: **The Mayflower Hotel**.

Please coordinate with Roger Semler (copied) regarding Harry Yount and Wes Henry award recipients.

I also copied Jennifer Hughes at NPS as she is handling hotel logistics. The schedule for the recipients includes the pick-up and drop-off time for the tour and then the award ceremony at 4pm. For the award ceremony, they will need to be escorted into the building due to MIB security and that will take time.

A mid-morning pick-up at 9:45am at the hotel with the tour starting around 10am is my recommendation.

The tour and times sound great - I think a 9AM or 10AM start time is fine, depending on your recommendation Jerold - Lenny did you have thoughts on this?

I have spoken to Elaine Hackett in the Office of the Secretary of Interior. She is going to block the Secretary tour on August 2 for the Hartzog award winners. Myself and another Mall ranger will provide 2 vans (holding up to 26 people all together for a Mall tour that day.) We can take the 26 people to our Memorials...Vietnam, Korean, WWII, Lincoln, Jefferson, FDR, MLK Memorals. The other rangers and I could take them out between 9am or 10am and 2pm...

What hotel will the group be staying at?

Would something like this work for Aug 2? In talking to Elaine, I think that the Capital would be too hard to get in...

Subject: George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony

To: Paul Ollig <[paul\\_ollig@nps.gov](mailto:paul_ollig@nps.gov)>

Cc: Lenny Teh <[Lenny\\_Teh@nps.gov](mailto:Lenny_Teh@nps.gov)>

Dear Mr. Ollig,

I am working with Lenny Teh, Service-Wide Volunteer Program Manager, and the NPF on arranging logistics for this year's George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony. The ceremony **will** honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award. The ceremony will be held at the **Main Interior Building on August 2, 2018 from 4:00 – 6:00 PM**. The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

Hi Elaine,

Our office host interns through the HBCUI and LHIP programs every summer. During their two month internships we typically try to provide them with some sort of field related excursion. This summer has been especially busy and unfortunately we've been unable to do this for our intern who leaves at the end of the month.

I was pondering ideas yesterday and thought that perhaps the VIP tour of the monuments would be a good way for them to get that behind the scenes experience. I was wondering if you might have availability in one of the tours this month for 1-2 spots. Our HBCUI intern, (b) (6) leaves at the end of the month and we have a new LHIP intern, (b) (6) starting Monday. Would it be possible to send both of them?

I know this is a last minute request and that these tours book up pretty fast. If it's not possible I completely understand.

Thank you,

Hi Everyone,

I attached the [list of award recipients](#) who will be attending the ceremony.

There are a total of 26 so far (23 Hartzog and 3 Wes Henry recipients).

It looks like we would just make it into the two vans. I could ask someone at NCR for a van as well though if it is recommended? - I think we have even borrowed a van several years ago from ROCR for another award ceremony. I would be available to drive the van if needed.

I understand that the tour was for ALL the award recipients and they are staying at the same hotel: **The Mayflower Hotel**.

Please coordinate with Roger Semler (copied) regarding Harry Yount and Wes Henry award recipients.

I also copied Jennifer Hughes at NPF as she is handling hotel logistics. The schedule for the recipients includes the pick-up and drop-off time for the tour and then the award ceremony at 4pm. For the award ceremony, they will need to be escorted into the building due to MIB security and that will take time.

A mid-morning pick-up at 9:45am at the hotel with the tour starting around 10am is my recommendation.

Hi Jerold and Elaine,

Thank you for all your help! This all sounds really nice! So far [21 George Hartzog award recipients](#) are attending, though Lenny, can you confirm if the award recipients from the Harry Yount, and Wes Henry awards will also be on the tour - this will determine if we can use the two vans or will need to rent a bus, (or if needed, we could rent a third van)

The tour and times sound great - I think a 9AM or 10AM start time is fine, depending on your recommendation Jerold - Lenny did you have thoughts on this?

I have spoken to Elaine Hackett in the Office of the Secretary of Interior. She is going to block the Secretary tour on August 2 for the Hartzog award winners. Myself and another Mall ranger will provide 2 vans (holding up to 26 people all together for a Mall tour that day.) We can take the 26 people to our Memorials...Vietnam, Korean, WWII, Lincoln, Jefferson, FDR, MLK Memorals. The other rangers and I could take them out between 9am or 10am and 2pm...

What hotel will the group be staying at?

Would something like this work for Aug 2? In talking to Elaine, I think that the Capital would be too hard to get in...

Hi Jerold,

It was nice touching base with you this morning. I look forward to talking to you again.

Can you phone my cell at 305-298-9736.

Was wondering too, if you were aware of a bus company that has provided you with good service in the past...we can just go with your recommendation if you have one.

Thank you, Jackie

Hello Lenny and Jackie...

Over the past several years while working with Ernestine White, I provided the tour for the group while on a bus that Ernestine chartered and paid for through NPS funding. I am not sure what funds she pulled from or what company she worked with.

Thanks for the email and helping us out with the guided tour next month.

Jackie Dostourian will follow-up with you to coordinate. Below is the original email that has some background of the request. We'll need your help to secure a bus as both Jackie and I are new to the process.

Subject: George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony

To: Paul Ollig <[paul\\_ollig@nps.gov](mailto:paul_ollig@nps.gov)>

Cc: Lenny Teh <[Lenny\\_Teh@nps.gov](mailto:Lenny_Teh@nps.gov)>

Dear Mr. Ollig,

I am working with Lenny Teh, Service-Wide Volunteer Program Manager, and the NPF on arranging logistics for this year's George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony. The ceremony will honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award. The ceremony will be held at the **Main Interior Building on August 2, 2018 from 4:00 – 6:00 PM**. The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

Hi Everyone,

This is a followup to my last email. There are 5 Wes Henry Award Recipients attending the ceremony and 4 attending the tour, bringing us up to 27 attending the tour. I am going to see if I can obtain a van from NCR....(I attached a [revised Excel Spreadsheet](#)).

There are a total of 26 so far (23 Hartzog and 3 Wes Henry recipients).

It looks like we would just make it into the two vans. I could ask someone at NCR for a van as well though if it is recommended? - I think we have even borrowed a van several years ago from ROCR for another award ceremony. I would be available to drive the van if needed.

Jackie. Lenny., Jennifer,

Here is the response from Roger Robinson who will be receiving the Wes Henry Wilderness Stewardship "Team Award" on behalf of the Denali National Park Mountaineering Rangers on Aug. 2. As you can see, he would like to go on the tour with two additional guests and suggests meeting the group at the National Mall. Please advise if that will be OK.

Thank you,

Hi Roger,

Since there would be three of us and it appears there is limited room on the shuttles, it might be prudent to meet up with them at the National Mall. I could stay in touch with the leaders through my cell (907)315-0501.

I will be out of the office till the 17th but can be reached through my cell.

Thanks, Roger

I understand that the tour was for ALL the award recipients and they are staying at the same hotel: **The Mayflower Hotel**.

Please coordinate with Roger Semler (copied) regarding Harry Yount and Wes Henry award recipients.

I also copied Jennifer Hughes at NPF as she is handling hotel logistics. The schedule for the recipients includes the pick-up and drop-off time for the tour and then the award ceremony at 4pm. For the award ceremony, they will need to be escorted into the building due to MIB security and that will take time.

A mid-morning pick-up at 9:45am at the hotel with the tour starting around 10am is my recommendation.

So far [21 George Hartzog award recipients](#) are attending, though Lenny, can you confirm if the award recipients from the Harry Yount, and Wes Henry awards will also be on the tour - this will determine if we can use the two vans or will need to rent a bus, (or if needed, we could rent a third van)

The tour and times sound great - I think a 9AM or 10AM start time is fine, depending on your recommendation Jerold - Lenny did you have thoughts on this?

I have spoken to Elaine Hackett in the Office of the Secretary of Interior. She is going to block the Secretary tour on August 2 for the Hartzog award winners. Myself and another Mall ranger will provide 2 vans (holding up to 26 people all together for a Mall tour that day.) We can take the 26 people to our Memorials...Vietnam, Korean, WWII, Lincoln, Jefferson, FDR, MLK Memorals. The other rangers and I could take them out between 9am or 10am and 2pm...

What hotel will the group be staying at?

Would something like this work for Aug 2? In talking to Elaine, I think that the Capital would be too hard to get in...

The ceremony will honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award. The ceremony will be held at the **Main Interior Building on August 2, 2018 from 4:00 – 6:00 PM**. The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point

which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

There are a total of 26 so far (23 Hartzog and 3 Wes Henry recipients).

It looks like we would just make it into the two vans. I could ask someone at NCR for a van as well though if it is recommended? - I think we have even borrowed a van several years ago from ROCR for another award ceremony. I would be available to drive the van if needed.

Here is the response from Roger Robinson who will be receiving the Wes Henry Wilderness Stewardship "Team Award" on behalf of the Denali National Park Mountaineering Rangers on Aug. 2. As you can see, he would like to go on the tour with two additional guests and suggests meeting the group at the National Mall. Please advise if that will be OK.

Hi Roger,

Since there would be three of us and it appears there is limited room on the shuttles, it might be prudent to meet up with them at the National Mall. I could stay in touch with the leaders through my cell (907)315-0501.

I will be out of the office till the 17th but can be reached through my cell.

Thanks, Roger

I understand that the tour was for ALL the award recipients and they are staying at the same hotel: **The Mayflower Hotel**.

Please coordinate with Roger Semler (copied) regarding Harry Yount and Wes Henry award recipients.

I also copied Jennifer Hughes at NPS as she is handling hotel logistics. The schedule for the recipients includes the pick-up and drop-off time for the tour and then the award ceremony at 4pm. For the award ceremony, they will need to be escorted into the building due to MIB security and that will take time.

A mid-morning pick-up at 9:45am at the hotel with the tour starting around 10am is my recommendation.

I have spoken to Elaine Hackett in the Office of the Secretary of Interior. She is going to block the Secretary tour on August 2 for the Hartzog award winners. Myself and another Mall ranger will provide 2 vans (holding up to 26 people all together for a Mall tour that day.) We can take the 26 people to our Memorials... Vietnam, Korean, WWII, Lincoln, Jefferson, FDR, MLK Memorials. The

other rangers and I could take them out between 9am or 10am and 2pm...

What hotel will the group be staying at?

Would something like this work for Aug 2? In talking to Elaine, I think that the Capital would be too hard to get in...

Subject: George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony

To: Paul Ollig <[paul\\_ollig@nps.gov](mailto:paul_ollig@nps.gov)>  
Cc: Lenny Teh <[Lenny\\_Teh@nps.gov](mailto:Lenny_Teh@nps.gov)>

Dear Mr. Ollig,

I am working with Lenny Teh, Service-Wide Volunteer Program Manager, and the NPF on arranging logistics for this year's George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony. The ceremony will honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award. The ceremony will be held at the **Main Interior Building on August 2, 2018 from 4:00 – 6:00 PM**. The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

Hi Elaine,

Our office host interns through the HBCUI and LHIP programs every summer. During their two month internships we typically try to provide them with some sort of field related excursion. This summer has been especially busy and unfortunately we've been unable to do this for our intern who leaves at the end of the month.

I was pondering ideas yesterday and thought that perhaps the VIP tour of the monuments would be a good way for them to get that behind the scenes experience. I was wondering if you might have availability in one of the tours this month for 1-2 spots. Our HBCUI intern, (b) (6), leaves at the end of the month and we have a new LHIP intern, (b) (6) starting Monday. Would it be possible to send both of them?

I know this is a last minute request and that these tours book up pretty fast. If it's not possible I completely understand.

Thank you,

There is a hold on the tour for 7/25 (by The Secretary). I asked him whether he needed this date and he was going to check for me. I will still put them down for that day and if anything changes, I'll let you know.

What is the last name of the couple? If I can confirm them, they would need to be here at the Department of the Interior - [1849 C Street, NW](#) (C Street lobby) no later than 8:45am.

They will visit WWII; Vietnam and Korean War Memorials; Lincoln; MLK; FDR and Jefferson Memorial.

The tour will end approximately 3:30pm at the Department of the Interior.

Thanks

Allie,

I'm so sorry I didn't get to be there - I had a very last minute request from family to help them out, so I had to help them.

I will definitely go to the Cat/Griz watch party!

We have the Secretary's VIP van tour each day except for weekends and federal holidays that take 13 guests maximum from 9am until 3:30pm to all the sites on the national mall if that would work, or the DOI Museum does a mural tour of the building which is really nice. It lasts about 90 minutes and very interesting.

The Museum staff can do more people on this tour. Any interest?

Further more, I like to know if you can guide (b) (6) who are coming to the city in 2 weeks time during their holiday vacation. Their age are range from 13-24YRS. I want a private tour for 2 hours per person for 2 days so making a total of 4 hours each person for the 2 days and I want afternoons and evenings time. So I want you to calculate and get back to me with your total charges for

Also I like to know if you do accept all major credit card as a mode of payment.

How are you doing today, I'm Sgt. Tom I want to apologies for not calling direct than email. I'm in the US Army National Guard, presently stationed here in (b) (6) [REDACTED] where I'm not able to make calls at the moment. But I assure you that you can reach me anytime via e-mail or sms text which I believe is better to communicate as well, I

hope you understand my situation so kindly bare with me.

Further more, I like to know if you can guide my 4 children who are coming to the city in 2 weeks time during their holiday vacation. Their age are range from 13-24YRS. I want a private tour for 2 hours per person for 2 days so making a total of 4 hours each person for the 2 days and I want afternoons and evenings time. So I want you to calculate and get back to me with your total charges for your service and let me know your open dates in the next 2 weeks or perhaps we can work on your dates if suitable.

Also I like to know if you do accept all major credit card as a mode of payment.

Thank You.

Jeff,

Would 8:45am work better for the meet and greet with Sen. Gardner? Ranger Jerry Hawn, who I have copied, can work with the driver of one of the vans to pick you up from the Senator's office when you are finished and continue with the monuments tour. Would that work for your group?

Thanks!

Details are:

Date: Wednesday, August 15, 2018

Time: 2:30pm to 3:30pm

Attendees: Congressman Anthony Brown (MD4), his wife (Karmen Walker-Brown), and up to two staff members (Ben Wolff and/or Nichelle Schoultz).

Site: Harriet Tubman Underground Railroad National Historic Park & Visitor Center (Cambridge, MD).

My thought is that the visitors center is the best thing for him to see, as it is new. I haven't been out there myself so I don't know what else there is nor how much time the visitor's center takes up.

Not sure what other detail you need but I am happy to provide it. I can be reached at 301.458.2600 or 202.768.0514.

Date: Wednesday, August 15, 2018

Time: 2:30pm to 3:30pm

Attendees: Congressman Anthony Brown (MD4), his wife (Karmen Walker-Brown), and up to two staff members (Ben Wolff and/or Nichelle Schoultz).

Site: Harriet Tubman Underground Railroad National Historic Park & Visitor Center (Cambridge, MD).

My thought is that the visitors center is the best thing for him to see, as it is new. I haven't been out there myself so I don't know what else there is nor how much time the visitor's center takes up.

Not sure what other detail you need but I am happy to provide it. I can be reached at 301.458.2600 or 202.768.0514.

Yes - Their ranger will be Ed Fleming. He will pick up the group at DOI C

The evening ranger will be Steve Hazelton and he will meet the group at 6:30pm. Will that work?

I will get cell numbers for you soon.

Hi Elaine,

Hopefully, they will want to be in YELL over a weekend as lodging, and most package deals on weekdays are mostly sold out. This year is going to be exceptionally tight for reservations, as Mammoth Hotel will be closed all winter. That said, we will need to know dates as soon as possible to try and reserve any lodging or activities they may want. The only package that is still available for a group of this size is the Frosty Fun Package:

<https://www.yellowstonenationalparklodges.com/special-offer/frosty-fun-package/>

Several winter activities are offered by Xanterra as well, with many based out of Old Faithful, and can be seen online at:

<https://www.yellowstonenationalparklodges.com/adventures/winter-adventures/>

Our non-profit partner, Yellowstone Forever, may also be able to offer a private tour for the group if they are interested. Private tours for a group this size are \$865 per day, not including and taxes or gratuity. Yellowstone Forever's winter catalog is online at:

[https://issuu.com/ynpforever/docs/yf\\_wintercatalog\\_2018-19\\_issuu?e=34115463/63466753](https://issuu.com/ynpforever/docs/yf_wintercatalog_2018-19_issuu?e=34115463/63466753)

We may also be able to have an NPS interpretive ranger available at Old Faithful to give them a talk or tour for an hour, depending on availability of staff. There will also be free ranger-led programs

that are open to the public. The 2018-2019 ranger program schedule is not available yet, but typically programs are offered at Mammoth, Old Faithful, and West Yellowstone.

Another logistic that will have to be taken into consideration is transportation between YELL and GRTE. Xanterra does not provide transportation between the two parks, and the group will have to make arrangements with a third party CUA holder to either snowmobile or ride a coach between parks. Xanterra does provide transportation from Mammoth to Old Faithful, but not from the West or South Entrances.

Unless they have a reason to fly in and out of Park City, UT, I would suggest flying into Jackson, visiting GRTE, traveling to YELL, and then flying out of Bozeman, as Xanterra does offer an airport shuttle to Bozeman. Park City is a long drive!

The sooner dates are confirmed, the better, given limited lodging in YELL this winter. I hope this helps, let me know if you have any questions.

Thanks!

Good afternoon ladies!

I had a call a little while ago from Agriculture Secretary, Sonny Perdue, who would like to take his family of (10) adults to Grand Tetons and Yellowstone during the time frame of January/February.

He was looking for some options for skiing/lodging and other sights things they should do for 3-5 days.

He mentioned he might fly into Park City, but that's sort of a drive in either direction. He doesn't matter which park he visits first, but if you could help me with some options, that would be greatly appreciated!

I mentioned to David Vela when I saw him earlier and he said you all would be able to give me some great info.

Thank you,  
Elaine

Mr. Secretary:

The parks were hoping you have some dates set for your visit.

This will help them do more planning for you. January and February are the best months for skiing.

Here is a little bit of information for now from Yellowstone. I will have more for you and also from Grand Teton.

Have a great day!

Elaine

Hopefully, they will want to be in YELL over a weekend as lodging, and most package deals on weekdays are mostly sold out. This year is going to be exceptionally tight for reservations, as Mammoth Hotel will be closed all winter. That said, we will need to know dates as soon as possible to try and reserve any lodging or activities they may want. The only package that is still available for a group of this size is the Frosty Fun Package:

<https://www.yellowstonenationalparklodges.com/special-offer/frosty-fun-package/>

Several winter activities are offered by Xanterra as well, with many based out of Old Faithful, and can be seen online at:

<https://www.yellowstonenationalparklodges.com/adventures/winter-adventures/>

Our non-profit partner, Yellowstone Forever, may also be able to offer a private tour for the group if they are interested. Private tours for a group this size are \$865 per day, not including and taxes or gratuity. Yellowstone Forever's winter catalog is online at:

[https://issuu.com/ynpforever/docs/yf\\_wintercatalog\\_2018-19\\_issuu?e=34115463/63466753](https://issuu.com/ynpforever/docs/yf_wintercatalog_2018-19_issuu?e=34115463/63466753)

We may also be able to have an NPS interpretive ranger available at Old Faithful to give them a talk or tour for an hour, depending on availability of staff. There will also be free ranger-led programs that are open to the public. The 2018-2019 ranger program schedule is not available yet, but typically programs are offered at Mammoth, Old Faithful, and West Yellowstone.

Another logistic that will have to be taken into consideration is transportation between YELL and GRTE. Xanterra does not provide transportation between the two parks, and the group will have to make arrangements with a third party CUA holder to either snowmobile or ride a coach between parks. Xanterra does provide transportation from Mammoth to Old Faithful, but not from the West or South Entrances.

Unless they have a reason to fly in and out of Park City, UT, I would suggest flying into Jackson, visiting GRTE, traveling to YELL, and then flying out of Bozeman, as Xanterra does offer an airport shuttle to Bozeman. Park City is a long drive!

The sooner dates are confirmed, the better, given limited lodging in YELL this winter. I hope this helps, let me know if you have any questions.

Thanks!

Good morning Elaine,

Thank you for taking my call. To follow up, Lieutenant General Ashley, Director of the Defense Intelligence Agency, has invited his counterpart, Lieutenant General Kim, Director, Korea Defense Intelligence Agency, to Washington, DC for a program on 2-8 Dec. We would like to present a cultural tour of Washington memorials and monuments at the start of the visit.

The tour would be on Sunday, December 2nd from 2pm to 3:30pm with a short walking tour at each of the World War II, Korean, Lincoln, and Jefferson Memorials. Would a park ranger be available for a VIP Tour at this time?

There will be approximately 10 delegates. The principal speaks limited English so we will have an interpreter. We also have the government van to transport the delegation.

Thank you for your consideration. Please call me if you need additional information.

Happy Thanksgiving!

Hi Elaine,

I just spoke with Ranger Smithey who thought that the tour was on Monday. He said that he doesn't work on Sunday, the date of the tour, and will be contacting Ranger Hawn and you.

Thanks,  
Trish

For the tour, we have assigned David Smithey (202-495-9978). Ranger Smithey will meet your group at WWII kiosk at 2pm on 12/2. He will be able to ride along and get out whenever they want to see the Monuments up close.

Thank you!

Subject: 2 Dec: Request for VIP Tour

Good morning Elaine,

Thank you for taking my call. To follow up, Lieutenant General Ashley, Director of the Defense Intelligence Agency, has invited his counterpart, Lieutenant General Kim, Director, Korea Defense Intelligence Agency, to Washington, DC for a program on 2-8 Dec. We would like to present a cultural tour of Washington memorials and monuments at the start of the visit.

The tour would be on Sunday, December 2nd from 2pm to 3:30pm with a short walking tour at each of the World War II, Korean, Lincoln, and Jefferson Memorials. Would a park ranger be available for a VIP Tour at this time?

There will be approximately 10 delegates. The principal speaks limited English so we will have an interpreter. We also have the government van to transport the delegation.

Thank you for your consideration. Please call me if you need additional information.

Happy Thanksgiving!

Trish

Sorry! I had a typo and put 12/3 instead of 12/2.

We have to get you a different Ranger for 12/2. Ranger Smithy is off that day. Please stand by.

For the tour, we have assigned David Smithey (202-495-9978). Ranger Smithey will meet your group at WWII kiosk at 2pm on 12/2. He will be able to ride along and get out whenever they want to see the Monuments up close.

Thank you!

Hi Diane,

Thanks so much for following up, and for your patience while NPS determined timing for field trips at WWII Valor in the Pacific NM.

I'm pleased to share an upcoming opportunity for Senator Schatz's participation on **Thursday, January 24, 2019**, when students from Leihoku Elementary will be visiting from approximately 8:45am-12:00pm.

Students will arrive at the Lanai Visitor Center at 8:45am for a brief welcome and orientation. Between 9:15am-9:45am, they'll divide into two groups and rotate through two activities; a virtual reality simulation, and guided tour of the park's shoreside exhibits. From 10:00am-11:15am, students will watch an educational video before boarding a U.S. Navy Boat to visit the USS Arizona Memorial. Students will return to the Lanai Visitor Center at 11:20am and complete a final debrief activity before eating lunch at 11:30am and departing for their school at 12:00pm.

The park and its education partner, Pacific Historic Parks, would be delighted for Senator Schatz to participate in as much or as little of the trip as his schedule permits. We'd be happy to work with you on a detailed run of show outlining his participation including a brief introduction and photo opportunity tied to any of the activities above. If the 1/24/19 date is not convenient, we'll also be happy to keep you apprised as the park schedules additional trips this spring. Finally, I should note that staff for Senator Mazie Hirono have expressed interest in upcoming opportunities at the park, and we'll be sharing the 1/24/19 opportunity with her staff as well.

We sincerely appreciate Senator Schatz's interest in this opportunity. Please let me know if the 1/24 trip would be of interest and if so we'll look forward to coordinating next steps!

Thanks again,  
Julie

Hi Diane,

Hope you're doing well. A quick update that I've been in touch with NPS and their partners at Pacific Historic Parks, who are still in the process of determining dates for upcoming field trips associated with NPF's grant, likely later this fall. I'll be happy to pass along specific opportunities as soon as those are confirmed.

Many thanks for your patience and please stand by!

Hi Chris,

Hope you're doing well. I'm thrilled to share that as part of the National Park Foundation's [Open OutDoors for Kids program](#), NPF awarded a \$10,000 grant to World War II Valor in the Pacific NM. Funds will connect 1,000 students from Leihoku, Ma'ili, Makaha, Nanaikapono, Nanakuli, and Wai'anae elementary schools to the park for educational activities including a walk through the Pearl Harbor Shoreside exhibits, viewing a documentary film on the Pearl Harbor attack, and boarding a U.S. Navy shuttle boat to ride to the memorial. Visits will conclude with a reflection activity at the Contemplation Circle area. Trips will take place this fall and in spring 2019.

NPF is awarding over \$2.3 million to transport more than 200,000 students from underserved

communities to national parks and public lands for place-based learning during the 2018-2019 school year.

We'd be happy to help arrange for Senator Schatz to participate in upcoming field trips to see programs in action. If this would be of interest, please feel free to connect me with your scheduling staff and I'll be happy to coordinate additional details. We'd also be delighted if he would like to spread the word about NPF's grants via social media and have included suggested language, attached. As always, we're happy to amplify posts from NPF's channels.

Please feel free to reach out with any questions and thanks for Senator Schatz's support.

Julie

**SUBJECT: White House Easter Egg Roll**

**I. INTRODUCTION**

The White House Easter Egg Roll traditionally is the first Monday after Easter and takes place on the south lawn of the White House. The White House and National Park Service oversee this event.

**II. BACKGROUND**

The White House Easter Egg Roll began on Easter Saturday in 1878 with President Rutherford B. Hayes and has been a tradition ever since.

The White House Visitors Office and National Park Service, President's Park, plan the logistics for the online ticketing lottery and they also provide an allotment of tickets to Cabinet Members and their families; Members of Congress and their families; The Department of the Interior and some military families.

The event is usually from 8am until 6pm and tickets are timed. Over 500 volunteers assist with various aspects of the event from handing out wristbands, face painting; egg roll; assisting with storytelling; physical activities; musical entertainment or handing out the commemorative wooden eggs at the end of each timed session.

**SUBJECT: National Tree Lighting Ceremony**

**III. INTRODUCTION**

The National Tree Lighting Ceremony (formerly called the Pageant of Peace), traditionally takes place the first Thursday of December on the White House Ellipse.

**IV. BACKGROUND**

The National Tree Lighting Ceremony has been a tradition for over 94 years, beginning with President Calvin Coolidge. President Coolidge lit a 48 foot fir tree decorated with 2,500 red, white and green electric light bulbs while a local choir and a quartet from the US Marine Band performed. This 94 year old American tradition continues to bring people together with a message of peace and hope.

The highlight of the National Tree Lighting Ceremony is the President and First Family flipping the switch to light up the tree. General Electric has been designing the Christmas Tree since 1963 and donating the lighting and decorations.

This event has become so popular that a ticket lottery system has been established for the public to attend. Santa and Mrs. Clause and a variety of entertainment perform for this event.

**SUBJECT: Secretary's VIP Van Tour**

## **V. INTRODUCTION**

This is a ranger-led tour of WWII; Vietnam and Korean War Memorials; Lincoln Memorial; MLK; FDR; Jefferson Memorial and Washington Monument. Guests are driven in a 13-passenger van by the park ranger. This is an all day tour M-F from the Department of the Interior – C Street, beginning at 9am -3:30pm ending at C Street.

## **VI. BACKGROUND**

The Secretary's VIP Van Tours began in the early 1980's and guests were driven by a park ranger in a car. Due to the popularity of the "word of mouth" tour, NPS now provides a van for the tour. What makes this tour so unique is the ranger drives as close as possible to each site so there is minimal walking for the guests.

This VIP tour is requested by Congressional Offices on behalf of their constituents. Tours are booked one month in advance and tour operates M-F except federal holidays, Cherry Blossom and the week between Christmas and New Year. Tours are booked through the Secretary's Office.

Guests are required to arrive no later than 8:45am at the C Street lobby. The ranger will come into the lobby with a list of guests for the day and depart at 9am from C Street. Ranger will stop midday for a break at a location TBD so guests can get lunch or take a break then continue the tour until approximately 3:30pm - ending at C Street.

The van is not wheel chair accessible. Walkers, car seats and strollers are not allowed!

**SUBJECT: Wolf Trap Park for the Performing Arts**

## **VII. INTRODUCTION**

Wolf Trap Park for the Performing Arts is the only national park for the performing arts. The NPS in Partnership with Wolf Trap Foundation oversee the venue. The Filene Center is an open air concert venue with over 100 performances during the summer season.

## **VIII. BACKGROUND**

The Secretary of the Interior has Box 29 with (8) seats for his use. Traditionally, the Secretary has used the box to entertain White House; Executive Branch; Legislators and others. In addition, any unused seats are made available to employees.

**Directions:** From DC, it is located 26 miles west on I-66 or Route 267 (Dulles Toll Road) which requires a toll or it is 16.9 miles on the George Washington Memorial Parkway.

**Parking:** The Secretary and/or guests will be provided a parking spot in the “circle” which is in front of the box office.

The day before a performance we email the list of guests to Duane Erwin (NPS) and MaryLynn Haase (Wolf Trap Foundation). They will send confirmation letter and instructions to guests.

Wolf Trap Foundation will provide tickets for the Encore Lounge to the Secretary’s guests for refreshments before and after the shows.

Attached is the listing for the current performances for the 2017 season. In late April, a few more performances will be added.

Hi Elaine, could I chat with you about this type of request sometime this morning, perhaps around 11am? They just want a VIP tour, not a tour led by the Secretary. I'll forward you the other request I received yesterday as well.

Hi Amanda!

I hope you are doing well and enjoying your new job! It was great talking to you today.

Greg Tabish owns Great Western Petroleum, a gas and oil distributorship in Missoula. His father in law, Chip Erdmann, is the Chief Judge of the US Court of Appeals for the Armed Forces. He is retiring and coming to DC for his passing of the gavel ceremony. They are requesting a Secretary Tour on May 22<sup>nd</sup> or 24<sup>th</sup>, for four individuals.

Caitlin Dorman will be willing to talk to you about this family and another family's request for the Secretary Tour. Her direct line is (b) (6)

I hope once you are settled, we can go to lunch.

Christy ☺

Amanda,

Among other policy items, I'd like to catch you on, there is a constituent family interested in a monument tour from Secretary Zinke. Is that something he'd or someone else appropriate would/could do? I'm not sure if that's a thing or not. But we heard it could be. I've included Christy, cc'd, in our office who's coordinating with the family. Can you put us in touch with the most appropriate person?

Thanks! and hope to chat soon on other items!

Dan,

Just an fyi - I reached out to Scott Pearson and he gave me some times and dates that work best for him so I confirmed that Ranger Jerry Hawn will take the group out for a VIP tour on **March 29th from 12pm - 4pm**. Ranger Hawn will meet them in the C Street lobby.

He already has a Capitol tour scheduled so I asked if he was interested in a Fords Theatre tour. Just waiting for him to get back to me.

Caroline,

I put the group of (4) under (b) (6). They are reserved for **April 24**. They will need to be in the C Street lobby no later than **8:45am**. A Ranger will come into the lobby and have a list of guests for the day.

They will visit WWII; Vietnam and Korean War Memorials; Lincoln Memorial; FDR; MLK and Jefferson Memorial.

The Ranger will stop midday at a location TBD, so guests can take a break or get lunch. They will continue the tour until approximately **3:30pm**, ending at DOI C Street.

Enjoy!

Yes! Just let m know name of VIP and I will get my Supervisory Ranger to take them around to the sites.

Did they say how much time they have to tour? We normally do 3-4 hours but can do longer if needed.

Will this be a C Street pick up?

Thanks!

Afternoon Elaine,

Is this an advance team for an official visit or a tour for personal reasons? If it's a personal visit, we are specifically prohibited by law from soliciting or accepting gifts from a prohibited source due to ethics laws. The boats to/from the island are under a concessioner and not under the control of NPS.

I recommend you contact the concessioner ([Alcatraz Cruises](#)) directly, who runs the ticketing program. Two recommended points of contact are: Denise Rasmussen ([drasmussen@alcatrazcruises.com](mailto:drasmussen@alcatrazcruises.com)) or Antonette Sespene ([msespene@Alcatrazcruises.com](mailto:msespene@Alcatrazcruises.com)).

As you may know, the tickets tend to sell out about 90 days prior to embarkation.

Let me know if I can be of any further assistance.

Enjoyed the rehearsal concert tonight! As we discussed, my parents' best friends (they have known me since about age 3) are coming into town at the end of next week with their granddaughter and a friend. Do you have room for a Secretary's VIP tour for the four of them on Friday, July 14? Also, they are available Thursday after around 11:00 a.m. if it's possible to get them on a Ford's Theatre and Bureau of Engraving Tours. They already have a tour set for Saturday for the Holocaust Museum.

Rusty,

I have a family of four very close and personal friends coming to DC next month, and I would greatly appreciate your helping me hook them up with a monument tour and Treasury mint building (I think this is the correct building where the money is made). The preferred date would be on Monday August 14, 2017. If the Treasury piece is too big of an ask, then the monument VIP tour would be money!

Hey Elaine,

Todd is a friend of the Secretary's; he is looking to have a van tour and possibly a White House tour between September 11-15. There are 5 in the group. Please let me know if there's availability for the DOI one and if you're able to get them a WH tour! I've attached their WAVES form here.

Elaine,

Thanks for getting back to me last week. I left you a VM over the weekend and wanted to follow-up with an email.

A tour would be nice especially if we could do a more "behind the scenes" tour and possibly a visit to the Secretary's office???

Most of us have been to DC several times and have toured all of the monuments/memorials, but a guided tour might add a different twist.

I will be with my family (b) (6) along with 3 of my AGC (Associated General Contractors) officers. So, there could be a total of 8-10 of us. Let me know if you need any information for security purposes.

Scott may have mentioned to you, but I work with Dave Zinke at Knife River!! We are back in DC for some Leadership Meetings and visits with our Congressmen. Any help you can provide would be very much appreciated.

Thanks,

Dear Todd and Maureen,

The USO will be hosting its annual Gala next month on October 19. As part of the evening program, we honor 8 service members (one from each branch of the military and two volunteers both overseas and in the US) who have shown exceptional bravery and heroism. Each of those service members will be invited to join us in DC for exclusive tours prior to the Gala.

I wanted to touch base to see whether your office might be able to help coordinate a special tour of some of the national monuments around the Mall and possibly Arlington House. This will be the first time these honorees have visited Washington.

We would like to have the tour for 18 people (the service members and their families who will be traveling with them.) The USO will have its own small shuttle to transport the honorees. We wanted to explore the possibility of having someone from the NPS accompany the group or meet them at the identified monuments based on a

schedule we'd coordinate with you in advance to

include the World War II Memorial, the Korean War Veterans Memorial, the Vietnam Veterans Memorial, the Lincoln Memorial and the Jefferson Memorial.

In addition, we wanted to explore the possibility of having Secretary Zinke meet with the group briefly and give them a tour of his office at the Department of the Interior if his schedule permits.

Please let me know if you have any questions or need further information. I am happy to provide additional detail and scheduling parameters if necessary.

Thank you for the consideration!

Hello to Everyone

I am Jerry Hawn, and I coordinate special tour requests for the National Mall and Memorial Parks. I would be glad to lead the tour for the USO honorees on October 19. It sounds like the group will have their own vehicle to travel around on during the tour. I would be glad to step onto to the vehicle and go around to the Memorials with them. Do you have times in mind for the tour for October 19.

Let me know how I may assist

Dear Todd and Maureen,

The USO will be hosting its annual Gala next month on October 19. As part of the evening program, we honor 8 service members (one from each branch of the military and two volunteers both overseas and in the US) who have shown exceptional bravery and heroism. Each of those service members will be invited to join us in DC for exclusive tours prior to the Gala.

I wanted to touch base to see whether your office might be able to help coordinate a special tour of some of the national monuments around the Mall and possibly Arlington House. This will be the first time these honorees have visited Washington.

We would like to have the tour for 18 people (the service members and their families who will be traveling

with them.) The USO will have its own small shuttle to transport the honorees. We wanted to explore the possibility of having someone from the NPS accompany the group or meet them at the identified monuments based on a schedule we'd coordinate with you in advance to

include the World War II Memorial, the Korean War Veterans Memorial, the Vietnam Veterans Memorial, the Lincoln Memorial and the Jefferson Memorial.

In addition, we wanted to explore the possibility of having Secretary Zinke meet with the group briefly and give them a tour of his office at the Department of the Interior if his schedule permits.

Please let me know if you have any questions or need further information. I am happy to provide additional detail and scheduling parameters if necessary.

Thank you for the consideration!

This program is ONLY eligible to university students and the visas are typically 90 to 120 days long.

Currently, I am being told that this program may be canceled or eliminated in the very near future.

You & I have discussed this topic in the past and was hoping to have a few minutes of your time to share my thoughts and visit with you.

Hope all is well with you & your family,

Hello Brian,

I apologize for never emailing you back! Yes, 3:00 on Wednesday will work well for Scott.

For the tour, please plan to arrive at the Department of the Interior ([1849 C Street NW](#)) at 8:45. You'll meet the ranger at the C Street entrance, and the tour should start at 9:00. I will send you the ranger's name once that is finalized.

If you ever have any questions, please feel free to give me a call. My desk line is 202-208-6087 and my cell is (b) (6)

Hello Brian,

I hope you are doing well. I am Secretary Zinke's assistant, and he forwarded me your email chain to get everything set up for your visit on the fifth. I am holding spots for the monuments tour for six people. The tours usually start at 9:00 a.m. (we ask guests to arrive by 8:45 a.m.), and they run through 2:30 or 3:00 p.m.. Since the Secretary will be on travel, he asked our Chief of Staff, Scott Hommel, to take the meeting. What timing would work best for you? Would you prefer to meet first from maybe 9:30-10:00 and start the tour afterwards, or would you like to do the tour first and meet with Scott afterwards at 3:00?

Warmly,  
Elinor

Hello Caroline,

Trying to get my schedule wrapped up for next week and was hoping to finalize dates.

Was wondering if there will be an opportunity to meet a representative from your office on the 5th.?

Possibly do the tour on the same day?

Thanks for your help,

Brian

Hi Ryan,

I am Going to be Washington D.C. 10/5 & 6.

Would like to visit with you if at all possible?  
Or, if your planning a Montana visit, let me know.

Will be there attending a conference with other Montana business owners & reps such as GPI & Xanterra.

The purpose for this conference is to discuss the J-1 student visa exchange program that all us employers in Montana use to fulfill our employment needs during the Summer months.

This program is ONLY eligible to university students and the visas are typically 90 to 120 days long.

Currently, I am being told that this program may be canceled or eliminated in the very near future.

You & I have discussed this topic in the past and was hoping to have a few minutes of your time to share my thoughts and visit with you.

Hope all is well with you & your family,

Brian

I'll check.

Hi Elaine,  
Happy Thursday.

I have no clue if it is even possible, but my boss and I are both BIG Reba fans, and if tickets were available, we would be all about that. I am friends with Micah Chambers, Aaron Thiele, and Faith Vander Voort. I think you and I may have even met, but I am not entirely sure.

Anything you can do would be great. If not, absolutely no worries.

Elaine,

Thank you so much for putting me on the list. I want to introduce you to my boss, the legislative director of the American Legion. The secretary gave him a private tour of the Lincoln memorial at night a few months ago.

He's interested in the Reba McEntyre concert. I owe you big time for even considering the request. Let me now if I can ever be of help. Thank you!!!!

Elaine - Sorry to bother you, but are the 9am weekday tours run by NCR or by NPS HQ. Happy to give Lisa or Danny a call to get George and his families access to an extra van. He's compliantly creating significant value on a wide range of administration priorities. I've already arranged for tickets for him and his family for both the Secretary's and Deputy Secretary's parties. Thank you.

Dan, thanks for following up. It turns out the tours seem to be booked for the next couple weeks, but Ms. Hackett is looking into it to see if there are any cancellations or anything else she can do. As for the July 4 event, what exactly is it? Is it an evening event to watch the fireworks, or something else? I would definitely be interested in that if there is extra room.

Thanks again, and best regards,

Dear Scott:

I hope that you are well. I am writing to ask for a favor from you and Secretary Zinke. A family friend from the Czech Republic and his family are coming to DC in October of this year. He is the Administrator of [\(b\) \(6\) of South Moravian Region of the Czech Republic](#). His name is (b) (6) and he is responsible for the return of family property (land, paintings, jewelry, art, homes, etc.) from when they were taken first by Germany in WWII and then by the Communists after. He is also Deputy Mayor of Tynec, a village and municipality (obec) in (b) (6)

I would like to ask if you could arrange for a Park Service Guided Tour of the DC monuments for (b) (6) and his family (7-people total) on **Monday, October 16, 2018**. Please let me know if you can make this work. They will have a translator. It would be a great gift that I would not forget.

Thanks for considering this request. I look forward to hearing back from you about it. In the meantime, if you have any questions or comments, please do not hesitate to contact me. The best way to reach me is via email or on my mobile at (b) (6)

Sincerely,

(b) (6)
